AUTOMATIC REPLENISHMENT & INVENTORY CONTROL

Keep your hotel market stocked and organized with less staff effort.

COMPLIMENTARY CLOUD-BASED INVENTORY SOFTWARE

SEE WHAT IS HAPPENING

Review sales, stock levels, and incoming deliveries in one place. Give your team clear visibility into your hotel market.

KEEP REPLENISHMENT MOVING

JNC uses reported sales and inventory counts to determine replenishment needs and send products to your hotel.

MAKE YOUR SHELF SPACE COUNT

Expert product selection helps you build an assortment for your guests and maximize your market's sales potential.

A SIMPLE ROUTINE FOR YOUR TEAM

1 REPORT

Complete inventory counts and record sales as needed.

2 RECEIVE

Check deliveries and accept them in the JNC portal.

3 RESTOCK

Place products on shelves, ready for your guests.

Fuller shelves. Less time managing supplies.
